Made over Versailles track in winning race, sired by Anteo, 2:161-2, that sold for \$20,000 at public sale. First dam Mary Ann, by Hallstorm 813, son of Mambrino Patchen. These two crosses produced The Abbot, 2:281-14, champion trotting geiding of the world. 2nd dam by Independence, son of Andrew Jackson. Independence's dam by American Star. The American Star and Andrew Jackson blood is responsible for Crescens, 2:041-4, the champion trotting stallion of the world. You see Antecarlo's two top crosses are responsible for the fastest gelding, two next crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of both. Antecarlo is a solid brown horse, 15-3-1 hands high, weighing 1.170 pounds, fine style and action. Will stand at 1810 to insure a flying colt.

Will also stand the young jack, ABRAM 3RO, at 18 to insure a colt. He was sired by Abram 2nd and he by an imported jack, Abram 3rd's first dam by Velocipede, 2nd dam by Imp. Before It Is Too Late.

If you've a gray-haired mother In the old home far away, Sit down and write the letter That you put off day by day;

Don't wait until her tired steps Reach heaven's pearly gate-But show her that you think of her

Before it is too late. If you've a tender message, A loving word to say: Don't wait 'tili you forget it,

But whisper it to-day. Who knows what bitter memories May haunt you if you wait-

So make your loved ones happy Before it is too late. We all live but in the present, The future is unknown,

To-morrow is a mystery, But to day is all our own. The chance that Fortune lends us May vanish while we wait-

So spend your love's rich treasure Before it is too late. The little tender tokens,

The letter never sent, The long-forgotten messages, The wealth of love unspent; For these some hearts are breaking. For these some loved ones wait-So show them that you care for them

Before it is too late. -Ida Goldsmith Morris.
